An aerial photograph of a road with a blue and yellow highlighted section. The highlighted section is a rectangular area on the road, colored blue and yellow. The road is surrounded by greenery and other roads.

An aerial photograph of a road intersection. A red line is drawn on the road surface, indicating a lane change or a specific path. A white circle is drawn around a specific area of the road, likely highlighting a point of interest or a specific maneuver. The road is surrounded by greenery and other roads.
