A close-up photograph of a concrete curb on a road. The curb is a light gray, rectangular block. Above the curb is a dark asphalt road surface. Below the curb is a lighter, textured surface, possibly a sidewalk or a different type of pavement. A red oval is drawn around the curb and the road surface above it. The text "Kantur tekinn niður fyrir 3ja stæðið" is overlaid in white on the lower part of the red oval.
